PROFESSIONAL EXPERIENCE

2013 – Present

Little Creek, Delaware

Mayor

2010 – Present

Dharmadhatu Center, Dover, Delaware

Founder

Dharmadhatu Center was founded in 2010 as a non-profit organization. Its mission is to learn, practice, cultivate and abide by the Buddha Dharma as taught by H.H. Dorje Chang Buddha III, for the benefit of all living beings in the six realms of existence.

1995 – Present

Ecological Research & Development Group, Dover, Delaware

President and Founder

Ecological Research & Development Group, Inc. (ERDG) was founded in 1995 as a non-profit 501(c) (3) organization. Its mission is the conservation of the world's four horseshoe crab species. It is the only organization in the world with such mission. This is accomplished through scientific research, education, environmental planning and management. ERDG believes environmental stewardship can thrive within a growing economy through healthy partnerships between government, industry, environmental groups and communities, therefore works to inspire and assist individuals and organizations to solve problems, change behaviors and promote sound decisions.

1989 – 1996

Tri-State Bird Rescue & Research, Inc., Newark, Delaware

Senior Technical Coordinator

Non-profit organization internationally recognized for work in oiled wildlife rehabilitation and conservation.

Activities: Responsible for the design and development of oiled wildlife response facilities and mechanical systems around the world. Developed area contingency plans to protect and/or mitigate natural resource damage from oil spills, in conjunction with industry and governmental agencies. Developed curriculum and taught essential protocols and techniques necessary to successfully rehabilitate oiled wildlife to industry, governmental agencies, wildlife rehabilitators, biologists and veterinarians around the world.

- 1979 – 1991 **Heartwood Craftsmen Inc., Philadelphia, Pennsylvania**
